## GLADIOLUS PRICE LIST

# Champlain View Gardens

ELMER E. GOVE

### BURLINGTON, VERMONT

At these prices all bulbs are prepaid anywhere in the United States and Canada and all countries in the Postal Union. Transit charges not paid.

The PACKAGES of Bulblets contain from fifteen to one hundred or more bulblets, according to variety. The cheaper varieties contain more than the others. They are not counted but all are big value.

5 bulbs at 10 rate, 25 at 100 rate; Bulblets, 250 at 1000 rate.

**EXTRAS ON ORDERS.** On Cash orders of \$2.00 to \$5.00 you can select 5% extra in bulbs of your own choosing, \$5.00 to \$25.00 you can select 10%, \$25.00 to \$50.00 15% and \$50.00 to \$100.00 and over 20% extra.

These orders must include at least three varieties and are not for quantities priced by the 1,000. Also does not include the variety "Inspiration" or mixtures.

On cash orders of \$10.00 or more for bulbs priced per each and per 10, I will give a copy of the Gladiolus book by Rockwell if you ask for it. This is a very good book on the growing of gladiolus.

In addition to the above I usually slip in something extra that I think will please you. If there is some variety that you are interested in just mention it and if the price is not too high and if I have stock enough I will put in a bulb of it. I like to be generous in filling orders.

On cash orders of \$50.00 or more I will give a No. 3 Mother Machree bulb.

Discounts on special sets in the middle of this book are different.

#### EVERYTHING PREPAID

- No. 1. 100 assorted bulbs 1 to 2 inches in diameter in at least 40 fine varieties that are listed in catalogs at 10 to 25 cts. each. It contains many different shades of red, pink, blue, orange, yellow, smoke, white and lavender. But if there are certain colors you do not like I can leave them out and put in more of others. There are many different types, including both plain and ruffled petals. I do not believe there is a collection offered by any other grower at anywhere near the price, that equals this one.  
100 for \$3.00    50 for \$1.75    25 for \$1.00
- No. 2 Collection at same prices as above but contains only the primulinus varieties.
- No. 3 Collection    \$5.00 per 100, 50 and 25 at same rate. Contains at least 45 varieties in many different shades and several of the newer varieties.
- No. 4 Collection    \$10.00 per 100, 50 and 25 at 100 rate. Contains at least 50 varieties, including many of the finest exhibition types and some varieties that sell for 50 cents and up. A very fine collection.

All of the above collections are very well worth the money but the bulbs are not labeled as to name. If labeled they would cost several times as much.

All bulbs in above collections are guaranteed to bloom if given ordinary good care.

My bulbs this year are positively the finest I have ever had, plump, high crowned, and healthy. By disinfecting everything I plant and planting on new ground every year I have practically gotten away from disease entirely. One of my customers writing in for my new price list says "your bulbs speak for themselves."

Those who have bought of me before know that I will treat them right on price and quantity and quality. To those who have not bought of me I want to say "just give me a trial order. I think I can make you a permanent customer."

### A FEW TESTIMONIALS RECEIVED THIS YEAR

Glad's arrived yesterday. I want to say to you that these are the nicest lot of bulbs in every respect that I have ever bought. I don't really know how you can grow such stock. Thanks for the Mother Machree.

A.T.R., N.Y.

I wish to thank you for the extras and all such nice sized, healthy looking bulbs in my December order. They were wonderfully packed and came through fine.

Mrs. D. C., Pa.

Want to thank you for the order received yesterday, for the fine plump bulbs, the most generous count and dandy extras.

Mrs. E. W. S., Conn.

I am writing to express my sincere appreciation of the splendid treatment you gave me in the small order of bulbs recently received from you. Of course the generous count was very pleasing to me but more than that was I delighted with the wonderfully high crowned, clean and healthy looking bulbs.

R. T. B., Colorado.

Received shipment of bulbs this A. M. in fine shape, dare say it was the finest, most generous shipment of bulbs I have ever received. Sorry I did not send you my full order.

Mrs. J. T. K., Ohio.

I was so pleased with my fall order that I simply had to send you another order. The quality and over count of bulbs was indeed a great surprise to me. I am only sorry that I did not hear of you till last year.

A. L. S., Mass.

I wish to thank you for the extras and generous count on my last order. Was especially pleased with the No. 4 bulb of Apricot Glow which bloomed well and at digging time was just covered with bulblets. As my order was small and only for bulblets I did not expect such nice extras.

Mrs. R. C. T., Kansas
